Safe-T-Secure® Family of Products.

Simple, effective and efficient solutions
for all your positioning needs.

Our mission is to provide innovative and useful medical products at affordable prices. NinoMed was founded by an academic surgeon with a passion for patient safety and operating room efficiency. We start by first understanding the challenges hospitals face, and then create products and solutions that improve patient care. NinoMed's positioners are designed to improve OR setup, efficiency, patient comfort and safety while reducing costs.
